

June 2021

Dear New MCTI Student and Parents/Guardian,

We are happy to inform you that the Monroe Career & Technical Institute (MCTI) 2021-2022 school year will begin on Monday, August 30, 2021. MCTI will have in-person instruction five (5) days each week.

The administration and faculty are looking forward to many things returning to normal since the start of the pandemic. All students will be required to attend MCTI in-person. Distance/virtual learning will only be provided if MCTI and/or the sending school must be physically closed due to guidance from the PA Department of Education and/or Department of Health. This *may* also occur due to closings for inclement weather.

MCTI takes the education of our students very seriously and the best way to properly serve our students is to have everyone participate in their classroom/shop full-time.

If there are any questions or concerns, please call the MCTI Student Services Office at 570-629-2001, ext. 1102. You may also email your MCTI school counselor. Ms. Ambria Liles, the MCTI School Counselor for Pocono Mountain and Stroudsburg Area School Districts, can be reached at aliles@monroecti.org and Mr. Thom Sarcinelli, the MCTI School Counselor for East Stroudsburg Area, Pleasant Valley, and Outside Cyber School Districts, can be reached at tsarcinelli@monroecti.org.

We look forward to meeting all new MCTI students and parents/guardians at the **mandatory New Student Orientation on August 26, 2021!** This mandatory orientation will be in-person at MCTI at 5:30 pm for *full day* 9th grade students only, and 6:30 pm for all other new students. Until then, enjoy the summer and stay safe!

Sincerely,

The MCTI Administration and Faculty
